GENERAL SAFETY WARNINGS

Read all safety warnings and instructions. Failure to follow the warnings and instructions may result in serious injury. Save all warnings and instructions for future reference.

The warnings, precautions, and instructions discussed in this instruction manual cannot cover all possible conditions and situations that may occur. It must be understood by the operator that common sense and caution are factors which cannot be built into this product, but must be supplied by the operator. Read carefully and understand all **ASSEMBLY AND OPERATION INSTRUCTIONS** before operating. Failure to follow the safety rules and other basic safety precautions may result in serious personal injury.

- **DO NOT** exceed rated capacity.
- Use only on hard level surface.
- **DO NOT** use the stand to support a vehicle.
- Center load on saddle.
- Use stands in pairs to stabilize the vehicle before starting repairs.
- Failure to heed these markings may result in personal injury and/ or property damage.
- **NO ALTERATIONS SHALL BE MADE TO THIS PRODUCT.**
- Wear ANSI-approved safety goggles and heavy-duty work gloves during assembly and use.
- Use as intended only. This Stand is designed to help prevent the tipping/ rocking of a vehicle while the vehicle is engaged on an automotive lift.
- **DO NOT** use for aircraft purposes.
- Inspect before every use; **DO NOT** use if parts are loose or damaged.
- Be aware of dynamic loading! Sudden load movement may briefly create excess load causing product failure.
- Assemble only according to these instructions. Improper assembly can create hazards.
- Make sure the vehicle lift is rated to at least vehicle's weight, in good working order, and securely locked into place before using stand.
- This product is not a toy. **DO NOT** allow children to play with or near this item.
- Maintain product labels and nameplates. These carry important safety information. If unreadable or missing, contact Stark Tools for a replacement.
- Weight capacity and other product capabilities apply to properly and completely assembled product only
- **DO NOT** assemble when tired or when under the influence of alcohol, drugs or medication.
- Keep bystanders out of the area during assembly.
